

Subscription of first tranche of 100 bonds convertible into new and/or existing shares (OCEANE) with attached warrants for a par value of €1M as per the Additional Commitment.

Spineway (the “**Company**”) announces the exercise, on 1st november 2018, by the European High Growth Opportunities Securitization Fund of one hundred (100) tranche warrants (the “**Tranche Warrants**”) that result in the issue of 100 bonds convertible into new and/or existing shares (the “**OCEANE**”) with attached warrants to subscribe shares (the “**Warrants**”) representing a bond issue with a total par value of €1M in favor of the European High Growth Opportunities Securitization Fund (the “**Investor**”), an investment fund managed by European High Growth Opportunities Manco SA, a Luxembourg asset-management company. This is pursuant to the Additional Commitment.

As a reminder, the two tranches of the Initial Commitment resulted in the subscription of 200 OCEANE on 9 July and 15 September 2018, representing a total par value of €2M.
